Pursuant to your request, filed August 14, 2012, and applicable regulations (10 CFR 590.304(f)), DOE has determined that good cause exists to grant Jordan Cove Energy Project, L.P. an eight (8) day extension of time in which to submit and serve its answer to the protests submitted in the above-referenced docket on August 6, 2012. The additional time is warranted due to the complexity of the protests. Accordingly, your request is hereby granted and the response to the protests is due August 29, 2012.

Sincerely,
