ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 2890

DECEMBER 13, 2010

I. DESCRIPTION OF REQUEST

On November 4, 2010, Boss Energy, LLC (Boss) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to import and export up to a combined total of 300 billion cubic feet (Bcf) of natural gas from and to Canada and Mexico. The applicant requests the authorization be granted for a two-year term beginning on December 21, 2010. Boss is a Texas limited liability company with its principal place of business in The Woodlands, Texas.

On November 17, 2008, Boss Energy, Ltd. was granted authorization in DOE/FE Order No. 2584 (Order 2584) to import and export natural gas from and to Canada and Mexico for a two-year term which expires on December 20, 2010. DOE was notified that effective December 2, 2009, Boss Energy, Ltd. converted to a LLC and that they have not imported or exported any natural gas since the name change.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay.

The authorization sought by Boss to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements are in effect, meets the section 3(c)

^{1/} This authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. §717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-002.04D issued on November 6, 2007.

criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

B. This natural gas may be imported and exported at any point on the borders between the United States and Canada and the United States and Mexico.

C. **Monthly Reports:** With respect to the natural gas imports and exports authorized by this Order, Boss shall file with the Office of Natural Gas Regulatory Activities, within 30 days following the last day of each calendar month, a report indicating whether imports or exports of natural gas have been made.
