ORDER VACATING PRIOR AUTHORIZATION TO  
IMPORT AND EXPORT NATURAL GAS  
FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 2890-A

On December 13, 2010, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Boss Energy, LLC (Boss) in DOE/FE Order No. 2890 (Order 2890) to import and export up to a combined total of 300 billion cubic feet of natural gas from and to Canada and Mexico for a two year term beginning December 21, 2010, and extending through December 20, 2012.

On June 7, 2012, Boss notified DOE that it no longer needs the authorization granted in Order 2890 due to inactivity. Boss is winding down its business and does not anticipate transporting any natural gas in the future, and therefore requests that DOE vacate Order 2890, effective May 31, 2012.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export natural gas from and to Canada and Mexico granted to Boss in Order No. 2890, issued on December 13, 2010, is hereby vacated effective May 31, 2012.

Issued in Washington, D.C., on September 18, 2012.
