Dear Mr. Corbin,

I am the Manager –Member of J-3 Energy, LLC. J-3 Energy, LLC **supports the Kenai, Alaska, LNG plant export license extension requested by ConocoPhillips and Marathon Oil.** J-3 Energy owns interests in oil and gas leases, not only in close proximity to the plant, but under that very facility. Currently our group is engaged in discussions with potential financial partners for the purpose of obtaining more subsurface interpretation and funds to drill.

Thank you for your attention to this matter.

Sincerely,

Jen Flyum
